

Release 13.3 (8 Oct 2014)

03 October 2014

Hi all,

Service Release 13.3 is scheduled for implementation on **Wednesday, 8th October 2014** from **8:00AM to 12:00PM** (AEDT).

The following services are impacted:

- ANDS Collections Registry
- Research Data Australia
- Cite My Data (DOI service)
- Identify My Data (Handle service)

A soft release on Demo will happen on Tuesday, 7th October.

Release 13.3 is a small service release to address some minor issues raised through the Service Desk. This service release includes the following changes:

Research Data Australia:

- Fixed bug with ANDS Suggested Links for Matching Identifiers where the links give you a blank Connections Explorer page
- Citation Display in RDA:
 - Changed 'How to cite this collection' heading to 'Suggested Citation' in the collection record view page in RDA (
 - Changed how citation is displayed in RDA. Full Citation will now take precedence in RDA if both fullCitation (citation blurb) and CitationMetadata (structured citation) are provided
 - Contributor Sequence attribute in citationMetadata is now used to order contributors in RDA display
- RDA Exact Phrase Search changes to improve search results
- Fixed a bug in RDA where a Temporal Date was not being displayed if a value of '1970-01-01T00:00:00Z' is used
- Tweaks to the RDA Site Map to improve SEO

ANDS Collections Registry:

- Fixed bug where '...' was being added to the originatingSource value of manually edited records
- Fixed bug where the 'Date Last Changed' of a record was being updated even if a record didn't change between harvests
- Removed super user restriction on Harvest Provider Type dropdown in the Edit Settings page
- Hid the 'Add New Datasource' button for non-superuser roles
- Minor enhancements to the Roles Management interface in the registry

Others:

- Added a comma to the start of the Funding Agency for EndNote export
- Update to the RIF-CS Java API to support RIF-CS 1.5
- Improvements to ANDS Services infrastructure as part of Phase 1 of the High Availability and Documentation (HAD) Project

An email will be sent out to ANDS partners and users tomorrow. If you have any question or feedback, please email services@ands.org.au. Thank you.
